

English Debate (ED) – (Local Teachers)

\$ 300 / 1 lesson per week (2 Hrs)

Participating in English Debate is certainly the best way to train students' **speaking, listening, reading and writing skills**. Furthermore, **critical thinking** is also one crucial aspect for the activity. This is generally recognized to be essential for Liberal Studies in the New Senior Secondary curriculum. We therefore strongly recommend students, especially the more outspoken ones, to join our English Debate course. We aim at training students to become more **competitive, confident and courteous** speakers in an interesting and exciting manner. We will also nurture students to become **more aware of current affairs** around us. They will certainly benefit from the course.
